

Legislative Link Update

July 19, 2021

Hello and welcome to the 2021 Glendale Legislative Link Program.

Attached is the annual comprehensive 2021 End of Session Report, which provides a session overview, budget highlights and outlines all of the legislation that was introduced during the last legislative session that impacts municipal operations. You will find the bills organized into the areas identified in the City's adopted legislative agenda. The report distinguishes between those categories which bills passed and will become law and those that failed. As you can see from the 98 page report, there was a historic number of bills introduced this session because of the hundreds of bills that were stalled last year because of the legislature's decision to recess early in response to the COVID-19 pandemic. I encourage you to look at the report so that you can see the universe of issues that we are faced with on a yearly basis at the legislature. The new laws will become effective on September 29, 2021, unless the bill contained an otherwise specified effective date. Each of the new laws is assigned a Chapter number in the order of when they were signed by the Governor. We have provided you with a summary of the newly chaptered laws, however, if you would like to read the entire statutory language you can do so here: <https://www.azleg.gov/sessionlaws/>

We have also posted the session report on our website so that you can review the bills and have the opportunity to stay informed on what is impacting your communities and our city. Our website is <https://www.glendaleaz.com/cms/one.aspx?portalid=15209085&pageid=15331985>. If you have any questions about specific laws/bills, please let me know.

Similar to previous years, our bill tracking list will be available through an online report that can be accessed at the following website. The password is "Glendale". Utilizing a dynamic online report allows our Legislative Link participants to receive the most up to date information on bill status and committee hearing schedules at any time. <https://azcapitolreports.com/webreport.cfm?webreport=26568&listid=72498&print=true>

Thank you again for your participation in Glendale's Legislative Link Program.

Remember, you can watch committee hearings via the internet by going to the [legislature's website](#) and clicking on the live proceedings hyperlink located in the column on the left side of the page.
