## **Glendale Police Identify Homicide Victim of Weekend Shooting**

**GLENDALE, AZ.** – Glendale Police identify 20-year-old Demone Wilson as the homicide victim from a weekend shooting. Demone was with two other 21-year-old male victims that were also shot.

On Saturday, March 5, 2022, just after 10:30pm, Glendale Police responded to a shooting call near the 48-hundred block of west Glendale Avenue. Offices arrived and located three male victims who were shot, to include Wilson. All three victims were transported to a local hospital. Wilson later died as a result of his injuries sustained during the shooting.

A preliminary investigation shows the three victims were walking up to the building of a recording studio when an unknown suspect(s) started shooting at them striking all three of them. The suspect(s) then fled the area prior to police arrival.

Shortly after, GPD received another call of a juvenile male who was located at a hospital with life-threatening injuries from a gunshot wound. Detectives believe the juvenile's injuries are related to the original shooting call, but detectives are still investigating the connection.

One of the 21-year-old male victims remains in critical condition. The other 21-year-old male is listed in stable condition. The juvenile remains in critical condition.
