

The City of Glendale negotiated reduced rates for Glendale residents to get landscaping services that help property owners stay in compliance with City codes. Services included are lawn care, tree/shrub trimming, dead tree removal, desert landscape maintenance, and installation of desert landscape material. Below are two contarctors that may provide services which can be as low as \$27 per hour. For the complete list of rates, visit the Code Compliance web site at https://www.glendaleaz.com/live/city_services/property_maintenance_codes
